IX. FYI

There was discussion about our office putting on an Agrivoltaics Workshop.
Our Long-Range Plan will need to be updated by the end of the year.

X. Partner Updates

NRCS is dealing with time sheet changes.

There are 9-10 fields designated as UHEL (undetermined Highly Erodible Land). FSA and NRCS are 'cleaning those up.' Lana will contact the effected producers.

There are no NRCS employees in the Las Animas office. Lana is there once a week, Randa York is going twice a week and Amber Freoff will be there once a week.

Two pickups have been returned to Colorado Springs and one sent to Las Animas.

CSU Ex is sponsoring a Wheat Field Days.
