Long Range Plan

The group reviewed the long range plan with minor revisions. The report will be brought to the December meeting for final approval.

VIII. Partner Updates

- Since Bent County has no NRCS employees, Randa York and Lana Pearson are helping to cover the office. Bent County CD is holding a Coffee Hour at Dairy Queen to meet with producers who have an interest. They will also hold one in McClave.
- State wide NRCS can have 2019 employee level staffing which is 179. They opened up in-house for folks to transfer in to Colorado resulting in a net gain of one. They will advertise publicly in October.
- CRP Grasslands has new contracts; 4 in Pueblo County, 7 in Crowley County/Otero County, and 4 in Bent County.
- The last two weeks of September, the office is preparing for the end of the physical year.
